

RICHARD A. WELLS

Founding Principal MMC

Professional Experience:

Mr. Wells has a diversified background in audiovisual system design and consulting. He has been involved in multiple aspects of audiovisual system projects for the past sixteen years. As Consultant, he has been involved in a wide range of projects such as airport terminals, education facilities, concert halls and performing arts centers, corporate boardrooms, churches, corporate auditoriums, divided meeting rooms, city council chambers, sound masking systems and U.S. Customs facilities. Due to his extensive experience in audiovisual systems both as a consultant and as a contractor, he uses a pragmatic approach to systems design.

Mr. Wells holds three US patents for electro-acoustic design.
